Subject : Urgent supply of material assistance and Personnel to Mauritius-reg

I am directed to inform that EAM has approved urgent supply of material and equipment, identified by MEA in consultation with MOD/ICG, to Mauritius to supplement their salvage operations. The equipment have been approved to be transported through an IAF service aircraft (C-17). Further, deployment of a 10 member team of ICG personnel has also been approved by EAM. MEA would bear the cost of procurement and transportation. The team could travel on -board the aircraft transporting material assistance with prior covid 19 testing. Local hospitality would be provided by GoM. The return journey of the ICG team shall be booked by High Commission in Port Louis on the proposed August 24th 2020 VBM flight to New Delhi, subject to its actual scheduling.

2. In light of above, it is requested to kindly note the following :

(i) The team of personnel are requested to approach RPO Mumbai (as preferred by ICG) for necessary passport issuance; [Please note that MEA has already accorded political clearance to the visit and conveyed the same to RPO Mumbai for urgent issuance of passports. Email copied to ICG as well]

(ii) **Please note that the 10 member ICG team should undergo prior Covid-19 testing and carry negative COVID-19 certificate with them.**

(iii) The Log9 absorbent pads, procured by IOCL/MoP&NG, have been delivered to the ICG PRT Facility in Mumbai. The same along with all other identified material and equipment plus necessary accessories may be transported by ICG to the designated location for loading.

(iv) **It is requested that ICG may immediately coordinate with the Office of Smt Richa Misra, Joint Secretary (Armed Forces), MOD for necessary arrangements for transportation of the material and personnel to Mauritius. It is also requested that final time and date of travel of the aircraft may also be conveyed to us, once confirmed, so as to inform our Mission in Port Louis.**
